

## Immaculately Presented, Fully Modernised Landaise Farmhouse

**€ 579,000 fai**

**FCH619**

This stunning 'Ferme Landaise' has been beautifully renovated and now offers a fabulously spacious and contemporary living space set in grounds on just over ½ hectare.

Approached by a wonderfully romantic Provencal style tree lined driveway and situated not far from a busy market town this countryside home has a tremendous amount to offer. The property has undergone an extensive ground-up renovation over the previous 2 years. The works include re-roofing, new plumbing and electrics, with new double glazing and insulation through out.

The habitable space is spread over 2 floors and covers 380m<sup>2</sup> with the option of shutting off a part of the property to create an independently accessed 2 bedroom Gite of 80m<sup>2</sup>. Accommodation on the ground floor is made up of a fully fitted kitchen, a vast open plan living and dining area of 81m<sup>2</sup>, laid with Travertine tiling and underfloor heating, a WC and utility room with the interconnected Gite offering kitchen/living and 2 bedrooms both with en suite bathrooms.

The upper level provides a luxury Master Suite, incorporating an office and sitting room, walk-in dressing room, double bedroom, private bathroom and a terrace balcony. There are two further bedrooms on this floor, with a shower room and sitting room / play area. The interior like the exterior has been finished to a very high standard with many bespoke features such as the polished concrete fitted bathroom cupboards and granite stone basins.

The ½ hectare grounds, home to several centenarian oaks, surround the Farmhouse and add to its seductive charm.
