

A Characterful late 18C Village Home, with Guest Annex & Barn

€ 320000 fai

FCH1150

This exceptionally charming character home, dating back to 1796, is situated in the heart of its village just 20 minutes from the historic city of Pau. With easy access to the communication links, airport and shops, this property would appeal to someone who's looking to integrate into the local community life whilst not being too isolated from restaurants and general amenities.

This authentic property boasts a wealth of period features such as stone slab flooring, original fireplaces, wide oak flooring and beamed ceilings. One could be forgiven for assuming that it has been untouched over the centuries. However, the property also boasts the modern day comfort of underfloor heating to the ground floor, plus connection to mains gas and drainage.

The main entrance opens into a small hallway with its period staircase opposite. To the left is the study and a guest cloakroom. To the right of the entrance is a spacious sitting / dining room, with its original fireplace and exposed stone walls, which leads into the kitchen and utility room.

The first floor offers three double bedrooms and a large bathroom. There is the potential to add further bedrooms in the attic, if required.

The house sits opposite its former barn and forms an attractive courtyard with gates leading into the village. The garden to the

side of the property is terraced and partially laid to lawn. There is a separate entrance to the rear of the main house which serves its one bedroom guest annex.

Viewing is highly recommended!
